Standard Committees Per By-Laws

1. Activities & Fund Raising (Public Relations)

This committee is responsible for community outreach to advertise the programs, member benefits, fund raising, revenue generation programs, and initiatives of the Frederick Chapter. Volunteers represent the Chapter at trade shows, festivals, and other events where public exposure can benefit the Chapter. **Book Management** is responsible for inventory, sales and management of the “Covered Bridges of Frederick County” books.

2. Conservation Committee

This committee serves as organizers for community outreach programs to enhance the Frederick Chapters' visibility in the community as stewards of the land, air and water in conservation initiatives. They also develop, organize and manage conservation programs.

3. Information Technology

This committee is responsible for the chapter's electronic devices that take care of the security of chapter resources. Some of these devices would be electronic locks, video cameras, network devices, server equipment, software and other associated devices. They would also be responsible for the Web Site, Hosting service, Internet access, Facebook presence, and associated systems.
