### **COMMITTEES**

As an all-volunteer organization, the level of community outreach and member services depends on the volunteerism of our members and their level of commitment. The following is a list of committees. We invite you to join one of our committees to offer your time and talents to the organization and the members at large.

#### **1. Activities & Fund Raising (Public Relations)**

This committee is responsible for community outreach to advertise the programs, member benefits, fund raising, revenue generation programs, and initiatives of the Frederick Chapter. Volunteers represent the Chapter at trade shows, festivals, and other events where public exposure can benefit the Chapter.

#### **2. Conservation Committee**

This committee serves as organizers for community outreach programs to enhance the Frederick Chapters' visibility in the community as stewards of the land, air and water in conservation initiatives. They also develop, organize and manage conservation programs.

#### **3. Book Management**

This committee is responsible for inventory, sales and management of the "Covered Bridges of Frederick County" books.

**For question about the chapter membership please contact Ron Colbert
