COMMITTEES As an all volunteer organization, the level of community outreach and member services depends on the volunteerism of our members and their level of commitment. The following is a list of committees and their chair person. We invite you to join one of our committees to offer your time and talents to the organization and the members at large.

Hunting Committee This committee manages the hunting rules and regulations at our range and facility. They serve as organizers for off site hunts such as upland game outings, deer hunts and more.

Conservation Committee This committee serves as organizers for community outreach programs to enhance the Frederick Chapters visibility in the community as stewards of the land, air and water in conservation initiatives. They also develop and organize conservation programs at our property.

Grounds Maintenance This committee serves as organizers for maintaining the grounds and buildings. Such activities and needs include building maintenance, grass cutting, snow removal, and light capital improvements to the building.

Public Relations This committee is responsible for community outreach to advertise the programs, member benefits, and initiatives of the Frederick Chapter. Volunteers represent the Chapter at trade shows, festivals, and other events where public exposure can benefit the Chapter.

CMP (Civilian Marksman Program) This committee serves as organizers for CMP shooting events at the Chapter.

Concessions Committee This committee organizes food and beverages for Chapter events and functions.
